

# EKC P&C Association

The Parents & Citizens (P&C) Association is a group of passionate parents, carers and community members who work together to support the school in meaningful ways.

Here's what we're all about:

- Fundraising – We raise money for priority projects and resources that benefit all students.
- Community Voice – We give parents and carers a platform to share ideas, raise concerns , and we help to work together with the school to find positive, productive solutions.
- Supporting School Life – From running the canteen to organising events and helping out at school functions, we're here to create a more connected, engaging school experience for everyone.

The P&C only works when the community gets involved – whether it's attending a meeting, helping with a fundraiser, or volunteering an hour of your time.

*Your voice matters. Your support matters.  
And together, we can make a real  
difference for our school.*

Want to know more or get involved? Drop us a message or chat to one of our committee members! We'd love to have you on board.
